Dear Sir/ Madam

On behalf of V G Shivdare College of Arts, Commerce and science, the management and organizing committee of international conference, cordially invite you to the historic place Solapur for two days international conference on **"Emerging Perspectives in Biotechnology"** (VGSEPIBT-2022) The conference will be highlighted by invited talks of reputed resource persons from National and International institutes. The VGS-EPIBT-2022 International conference aims to bring together students, academicians, research scholars and industry professionals to present their ideas, experiences and research knowledge in all aspects related to Bio-technology, Environmental Sciences, Medical & Pharmaceutical technology etc. So coming together on the single platform will bring about thorough exchange and sharing of innovative ideas which will serve as an initiative towards sustainable development. The conference programme consists of sessions of eminent and knowledgeable speakers, oral and poster presentations of researchers from various disciplines.

About the Organizers

About the Institution

"**DAKSHIN SOLAPUR TALUKA SHIKSHAN MANDAL'S** was established in 1976 and is one of the leading educational institutions with objective of catering quality education in Solapur district. Founder of the institution, Late V.G. Shivdare Anna, was a man of masses who devoted all his mind and heart to the field of co-operation. The DSTSM trust has started undergraduate courses in faculty of Arts, Commerce and Science (Biotechnology,2005) and post-graduation course in Science (Biotechnology, 2010) affiliated to Solapur University, Solapur. DSTSM trust also runs a Primary, Secondary school, Junior college (Science) and Pharmacy within same campus. DSTSM trust provides education to all from K.G to P.G under single roof.

About the College:

V. G. Shivdare College of Arts, Commerce and Science, Solapur is an educational institution affiliated to P.A.H. Solapur University, Solapur. It was established in 2005. The college has a strong infrastructure like Academic wing, Science wing, Library building, gymkhana and spacious playground. In past few years, this college has grown up with various new academic courses including postgraduation and Junior college. Keeping in view with the changing times and demanding technology our college is the first college to start Biotechnology course in Solapur District. We are also the first non-grant college having NAAC Accreditation with (B Grade) in Maharashtra. The college has a very good tradition of organizing and participating in zonal and inter zonal sports, university level and national level scientific competition
